The Rolling Stones, Bright Lights Big City

(Reed)

Bright lights, big city Gone to my baby's head Bright lights, big city Gone to my baby's head

I'd tried to tell the woman but she doesn't believe a word I said Go light pretty baby... gonna need my help some day It's all right pretty baby...gonna need my help some day

You're gonna wish you listened to some of those things I said

Go ahead pretty baby Oh, honey knock yourself out Go ahead pretty baby Oh honey knock yourself out

I still love you baby cause you don't know what it's all about

Bright lights, big city Gone to my baby's head Bright lights, big city Gone to my baby's head
