The Rolling Stones, That Girl Belongs To Yesterd

Last night I needed you so bad I was alone and feeling sad But now that I recall, you left me after all The only girl I've ever had

I never ever made you cry No no, I didn't even try You promised you'd be true, you said you'd love me too My only girl told me a lie

Maybe there'll come a day, when I can smile and say She used to be my girl

But now there's nothing left to say She only wanted me for play I learned my lesson fast, but now I know at last That girl belongs to yesterday
