

The Rolling Stones, Will You Be My Lover Tonight

Will you, will you, will you be my lover tonight?
Will you, will you, will you hold me tight?
I've been waiting such a long long time
To here you say that you'll be mine
Will you, will you, will you be my lover tonight?

Tell me, tell me, tell me, you want me too
Tell me, tell me, tell me, I need you
When I saw you over there
What could I do but stand and stare
Will you, will you, will you be my lover tonight?

I don't pretend to know the reason why
I love you so don't ever make me cry, no no no no no

Give me, give me, give me your whole heart
Promise, promise, promise when we're apart
You'll be faithful, you'll be true
Just remember, I love you
Will you, will you, will you be my lover tonight

I'll be faithful, I'll be true
Just remember, I love you
Will you, will you, will you be my lover tonight?
