

# The Romantics, Rock You Up

You know, you look a little lonely  
Well, I can keep you company  
You want to make it with somebody  
Well baby, won't you make it with me

I wanna have a good time, it's all right  
Oh baby whatcha doin' later on tonight  
I wanna rock you up  
Rock you up  
Rock you up  
Rock you up

You want to do a little dancing  
Well, music never let you down  
But if you're ready for romancing  
Well, honey, better hang around, yeah

I wanna have a good time, it's all right  
Oh baby watcha doin' later on tonight  
I wanna rock you up  
Rock you up  
Rock you up  
Rock you up  
I wanna rock you up  
Rock you up  
Rock you up

You know, you look a little lonely  
Well, I can keep you company  
When I see you move your little body
