

The Roots, The Seed

(Black Thought)

Knocked up 9 months ago
And she finna had she don't know
She want neo-soul, cuz hip-hop is old
She don't want no rock n roll
She want platinum or ice and gold
She want a whole lotta somethin to fold
If you was obstacles, she'd just drop ya cold
Cuz one monkey don't stop the show
And lil Mary's bad
The mean streets she done ran
E'r since when the heat began
I told her "Girl, look here. Calm down I'ma hold ya hand
To enable you to keep the plan
Cuz you is quick to learn
And we can make money to burn
If you allow me to lay this game
I don't ask for much but enough room to spread my wings
And the world finna know my name

(Cody ChesnuTT)

I don't ask for much these days
And I don't bitch and whine if I don't get my way
I only wanna fertilize another behind my lover's back
I sit and watch it grow roots standin where I'm at
Fertilize another behind my lover's back
And I'm keepin my secrets mine
I push my seed in her bush for life
It's gonna work because I'm pushin it right
If Mary dropped my baby girl tonight
I would name her rock n roll

(Black Thought)

Cadillac need space to roam
Where we headed for? She don't know
We in the city where the pros shake, rattle, and roll
And I'm a God dang rollin stone
I don't beg, I can hold my own
I don't break, I can hold the chrome
And it's weighin a ton, and I'm a son of a gun
My code name is The Only One
And Black Thought is bad
The mean streets he done ran
E'r since when the game began
I never played the fool
Matter fact, I've been keepin it cool
Since money been changin hands
And I'm left to shine
The legacy I leave behind
Be the seed that'll keep the flame
I don't ask for much but enough room to spread these wings
And the world finna know my name

(Cody ChesnuTT)

I don't beg from no rich man
And I don't scream and kick when his shit don't fall in my hands, man
Cuz I know how to steal
Fertilize another against my lover's will
I lick the opposition cuz she don't take no pill
Oooh oooh oooh no dear
You'll be keepin my legend alive
I push my seed in her bush for life
It's gonna work because I'm pushin it right
If Mary dropped my baby girl tonight
I would name her rock n roll
Oooh break it down, break it down...down for me...
I push my seed somewhere deep in her chest

I push it naked cuz I'm takin my test
Deliver it, Mary, it don't matter the sex
I'm gon name it rock n roll
I push my seed in her bush for life
It's gonna work because I'm pushin it right
If Mary dropped my baby girl tonight
I would name her rock n roll
I would name her rock n roll, I would name her rock n roll, I would name her
Rock n roll, yeah, I would name it rock n roll
