

# The Rubyz, Baila Chiquita

Dance with us tonight  
O little sister been thinking of you  
Everything you been going through  
The world keeps spinning oh so fast  
You wanna grow up, be in the next class  
Been there, done that  
Baby girl, aprovecha la vida  
No matter where you are in life  
Little sister, dance with us tonight

Chorus:

C'mon girl, don't be shy  
Move to the rhythm, baila chiquita  
Be yourself and nobody else  
Move to rhythm, baila chiquita  
Don't you worry  
Don't be in such a hurry  
Everything's gonna be alright  
Move to the rhythm, baila chiquita  
Girl don't be shy  
Oye hermanita, don't you cry  
You're gonna be all grown up in no time  
Follow the music you got inside  
Don't miss a beat and don't try to rush by  
Todos te dicen que crezcas con prisa  
Vamos amiga, aprovecha la vida  
No matter where you are in life  
Little sister, dance with us tonight

Chorus:

C'mon girl, don't be shy  
Move to the rhythm, baila chiquita  
Be yourself and nobody else  
Move to rhythm, baila chiquita  
Don't you worry  
Don't be in such a hurry  
Everything's gonna be alright  
Move to the rhythm, baila chiquita  
Don't let it fade away  
Dreams you hope for someday  
All that you wish and pray  
Don't let it steal from your today  
Dance with us tonight

Chorus:

C'mon girl, don't be shy  
Move to the rhythm, baila chiquita  
Be yourself and nobody else  
Move to rhythm, baila chiquita  
Don't you worry  
Don't be in such a hurry  
Everything's gonna be alright  
Move to the rhythm, baila chiquita  
Just move to the rhythm girl  
Don't be shy, yeah don't be  
Don't you worry  
Don't be in such a hurry  
Everything's gonna be alright  
Move to the rhythm, baila chiquita
