

# The Rubyz, In My Life ( I Don't Wanna)

Sometimes I wonder  
Where this road is leading me  
And there are days  
When my heart struggles to believe  
But I won't let go  
Cause deep inside I know

Chorus:

I don't wanna take another step  
I don't wanna take another breath  
Cause I can't live one more day  
Without you  
In my life

There's nothing else  
That really matters in this life  
The pleasures of this world  
Can't fill this hole inside  
But I made (but I made)  
Up my mind (my mind)  
You're all that I desire

I don't wanna take another step  
I don't wanna take another breath  
Cause I can't live one more day  
Without you

In my life, (in my life)  
In my heart, (in my heart)  
In my soul, (in my soul)

I'm giving you control  
(Giving you control)

Of everything I know  
Can't live without you

No, no, no, no, no, no  
Without you, without you, without you  
And I don't wanna take another step  
I don't wanna take another breath  
Cause I can't live one more day  
Without you

Chorus:

I don't wanna take another step  
I don't wanna take another breath  
Cause I can't live one more day  
Without you

In my life

Without you I can't live  
Without you I can't live without you
