

# The Russian entry, Never Let You Go

NEVER LET YOU GO

Heavy clouds, no rain

And every move causes pain

Ready kiss, but no love

I feel Im torn in half

Ardent look, but no heat

Its not you really need

Baby, now it has happened with us

We are dancing on broken glass

Cant stand no more -

Never, never let you go

You are the one Im searching for

Flesh of my flesh, bone of my bone

Loves carving it in the stone

Never, never let you go

Return the days we had before

Soul of my soul, blood of my blood

Loves carving it in my heart

Gentle words, no aim

It seems were playing a game

Easy smile, but no fun

Sweet music for no one

Close embrace, but no more

Cold Champagne we forgot to pour

Baby now it has happened with us

We are dancing on broken glass

Cant stand no more -
