The Russian entry, Never Let You Go

NEVER LET YOU GO Heavy clouds, no rain And every move causes pain Ready kiss, but no love I feel Im torn in half Ardent look, but no heat Its not you really need Baby, now it has happened with us We are dancing on broken glass Cant stand no more -Never, never let you go You are the one Im searching for Flesh of my flesh, bone of my bone Loves carving it in the stone Never, never let you go Return the days we had before Soul of my soul, blood of my blood Loves carving it in my heart Gentle words, no aim It seems were playing a game Easy smile, but no fun Sweet music for no one Close embrace, but no more Cold Champagne we forgot to pour Baby now it has happened with us We are dancing on broken glass Cant stand no more -
