

The Ruts, Criminal Mind

That criminal mind is really unkind
It's just for kicks, it's a habit that STICKS
You do what you wanna
I do what I wanna do

I do it for the kicks
And it's a habit that STICKS

They'll put you back down and people push me round
Well just for kicks, it's a habit that STICKS

You do what you wanna
I do what I wanna do

I do it for kicks
And it's a habit that STICKS 3x

Well the things that are possible once you dare
I've sussed the cake and it's on the take

You do what you wanna
I do what I wanna do

I do it for kicks
And it's a habit that STICKS 3x
