

# The Ruts, You're Just A....

You give me a heartattack  
You told me what I lack  
You told me I look a fool  
You told me I'm not cool

Oh well-a-well-a-well-a-well  
You're just a....  
Oh well-a-well-a-well-a-well  
You're just a....

When I'm with you I'm not myself  
It makes me wonder bout my mental health  
When I'm with you I can't walk  
When I'm with you all you do is talk

Oh well-a-well-a-well-a-well  
You're just a....  
Oh well-a-well-a-well-a-well  
You're just a....

I took it far too long  
I know you ain't all that strong  
I took it far too long  
I know you ain't all that strong

Oh well-a-well-a-well-a-well  
You're just a....  
Oh well-a-well-a-well-a-well  
You're just a....

You say you see through me  
I get invisibility  
Can't stand it, please don't tell me  
I've got no identity

Oh well-a-well-a-well-a-well  
You're just a....  
Oh well-a-well-a-well-a-well  
You're just a....
