

# The Scene Aesthetic, Don't Be That Note

Leave it here  
I know that's you've been  
Running dear  
But I've been thinking  
We'd stay here  
Don't you worry about a thing  
Cause I'll be here, I'll be waiting for you  
So sorry about all of the times  
I had to, needed to  
Believe it and see it through my eyes  
But don't you worry about it  
Cause I am here for you  
As long as you need me to  
It came to me  
The Answer one day  
Suddenly  
Hit me now I'm trying hard  
To fix all of the things  
That I screwed up, while I was gone  
The search is over  
You've moved on  
So sorry about all of the times  
I had to, needed to  
Believe it and see it through my eyes  
But don't you worry about it  
Cause I am here for you  
As long as you need me to  
It's always the same  
I'm trying hard to explain  
I'm feeling that things will change  
For the better  
It's all such a shame  
This just isn't a game  
But I'm very glad that you came  
I'll always be here for you  
So sorry about all of the times  
I had to, needed to  
Believe it and see it through my eyes  
But don't you worry about it  
Cause I am here for you  
As long as you need me to
