

# The Script, MAN ON A WIRE

Who'd have thought that I'd be here by myself?  
Who'd have thought that you'd be bad for my health?  
Now I know, now I know I'm just a man on a wire  
Who'd have thought about the 'cause and effect?  
Yesterday's love is not tomorrow's regret  
Now I know, now I know I'm just a man on a wire

No, I can't look down  
I'm trying to fight the feeling  
I will fall to the ground  
If I ever see you  
'Cause I feel like I'm walkin' on a tightrope

My heart is in my throat  
I'm counting on high hopes to get me over you  
And I've got my eyes closed  
As long as the wind blows  
I'm counting on high hopes to get me over you, you

'Cause I'm a man on a wire, on a wire  
I'm a man on a wire, on a wire

Who'd have thought I'd see you with someone else?  
Who'd have thought that I'd be in such a mess?  
Now you know, now you know I'm just a man on a wire

But I walk that line  
I try to keep my senses  
Make it to the other side  
I know the consequences  
and I feel like I'm walkin' on a tightrope

My heart is in my throat  
I'm counting on high hopes to get me over you  
And I've got my eyes closed  
As long as the wind blows  
I'm counting on high hopes to get me over you, you

'Cause I'm a man on a wire, on a wire  
I'm a man on a wire, on a wire  
'Cause I'm a man on a wire, on a wire  
'Cause I'm a man on a wire, on a wire

The higher I get  
The more I miss the ground  
No safety nets  
Now you're not around  
I have to keep walking  
To keep me from falling down  
Feels like I'm walkin' on a tightrope

My heart is in my throat  
I'm counting on high hopes to get me over you, you  
And I've got my eyes closed  
As long as the wind blows  
I'm counting on high hopes to get me over you, you

'Cause I'm a man on a wire, on a wire  
I'm a man on a wire, on a wire  
'Cause I'm a man on a wire, on a wire  
'Cause I'm a man on a wire, on a wire
