

The Secret Handshake, Summer Of '98

I wrote some songs cuz I love her
Then played some shows in the suburbs
It was the middle of summer in texas
I was feeling pretty good then
Everything worked out its cool then
I was feeling like a champion in summer
This this could be the summer the summer of love
And this this could be the summer when I grow up
I wanted to be just like him
He looked just like all the cool kids
I wanted to wear what he wore in summer
I was feeling pretty good
Everything worked out its cool then
I was feeling like a champion in summer
Ok

This this could be the summer the summer of love
And this this could be the summer when I grow up
This this could be the summer the summer of love
And this this could be the summer when I grow up
Its never been like this
I am just starting over x2
This this could be the summer the summer of love
And this this could be the summer when I grow up
This this could be the summer the summer of love
And this this could be the summer when I grow up
This this could be the summer the summer of love
And this this could be the summer when I grow up
