

# The Secret Machines, Better Bring Your Friends

Radiate my heart open  
Come to me in slow motion  
I gotta let you know, woman  
I gotta let you know, woman  
No, no, no

Radiate my heart open  
Come to me in slow motion  
I gotta let you know, woman  
I gotta let you know, woman  
No, no

I told you once before, I got nothin'  
I told you once before, I got nothin'  
I told you once before, I got nothin'  
I told you once before, I got nothin'  
No, no, no

You better bring your friends  
You better bring your friends

You better bring your friends  
Better bring your friends

You better bring your friends  
Better bring your friends

You better bring your friends  
Better bring your friends
