

The Shipyard, Nightcall

I'm giving you a night call to tell you how I feel
I'm gonna drive you through the night, down the hills
I'm gonna tell you something you don't want to hear
I'm gonna show you where it's dark, but have no fear

There's something inside you
It's hard to explain
There's something inside you boy
But you're still the same

I'm giving you a night call to tell you how I feel (will go on all night long)
I'm gonna drive you through the night and down the hills (will go on all night long)
I'm gonna tell you something you don't want to hear (will go on all night long)
I'm gonna show you where it's dark, but have no fear (will go on all night long)

There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same

There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
