

The Shipyard, Water on Mars

There is Water on Mars
There is Water on Mars
There is Water on Mars
There is Water on Mars

Who's gonna get there first?
Who's gonna get there first?
Who's gonna get there first?
Who's gonna get there first?

Water on Mars
There is Water on Mars
There is Water on Mars
There is Water on Mars

Let's go!

There is a blood in the city
There is a blood in the city
There is a blood in the city
There is a blood in the city

Who's gonna be next?
Who's gonna be next?
Who's gonna be next?
Who's gonna be... next?
