

The Shirelles, Good Good Time

Don't talk about love, boy; it's not what I'm thinkin' of, boy
I had love before, yeah; I don't want it no more

CHORUS:

I just want a good good time, just show me a good good time
& I'll show you a good good time
& there'll be no heartaches or heartbreak
Oh everything will be fine

I'm gonna be wild & free now, that's how I'm gonna be now
No time to get down, no; I don't wanna be bound

(chorus)

Oh just swing me around & around & around; don't stop dancing
Faster & faster & don't stop to talk about love romancin'
Oh I wanna laugh & be gay; it's been so long since I've been that way
So if there's nothin' to see, boy, then you're not the one for me, boy
Even though you're fine, yeah, love ain't on my mind

(chorus)

(repeat & fade):
& there'll be no heartaches or heartbreak
Oh everything will be fine
