

The Simpsons, Mental House Rock

Doctors threw a party at the looney bin,
Gotta be crazy if you wanna get in,
Napolean is playing his imaginary sax,
The dance floor is filling up with maniacs

Lets rock, do the mental house
Lets rock, do the mental house
If you don't dance with the doc he'll give you an electric shock
Zap Zap Zap!

Lets rock, do the mental house
Lets rock, do the mental house
If you don't dance with the doc he'll give you an electric shock
Zap Zap Zap!
