

The Simpsons, Se?or Burns

Tito:

Uno, dos, tres! (band starts playing salsa music)

Singer:

Wounds won't last long, but an insulting song

Burns will always carry with him.

So I'll settle my score on the salsa floor

With this vengeful Latin rhythm

Chorus:

Burns! (trumpet riff)

Singer:

Con el coraz&#oacute;n de perro.

Chorus:

Seor Burns! (trumpet riff)

Singer:

El diablo con dinero. (mambo riff)

It may not surprise you, but all of us despise you

Please die, and fry in hell

You rotten rich old wretch

Adios viejo. (trumpet riff)
