

The Simpsons, Slanderous Mambo

Wounds won't last long
But an insulting song
Burns will always carry with him.
So I'll settle my score
On the salsa floor
With this vengeful latin rhythm!
Burns!
Con el corazon de perro
Senor Burns!
El diablo con dinero !
It may not surprise you
But all of us despise you.
Please die
and fry
in hell
you rotten
rich
old wretch
Adios viejo!
