

The Simpsons, Talkin' Softball

Well Mr. Burns had done it.
The Power Plant had won it.
With Roger Clemens clucking all the while,
Mike Socia's tragic illness made us smile,
While Wade Boggs laid unconscious on the bar-room tile.

Chorus:
We're talking softball.
From Maine to San Diego.
Talking softball, Mattingly and Conseco,
Ken Griffy's grotesquely swollen jaw
Steve Sax and his run-in with the law,
We're talking Homer.....Ozzy and the Straw.

Chorus again.
