

The Simpsons, The American Way

(Shary Bobbins)
If there's a task that must be done,
Don't turn your tail and run
Don't pout! Don't sob!
Just do a half-assed job!
If you cut every corner,
It's really not so bad.
Everybody does it,
Even Mum and Dad.
If nobody see it, then nobody gets mad!
(Bart) It's the American way!

(Shary Bobbins) The policeman on the beat needs some time to rest his feet.
(Chief Wiggum) Fighting crime is not my cup of tea!
(Shary Bobbins) And the clerk who runs the store can charge a little more for meat!
(Apu) For meat
(Shary Bobbins) And milk
(Apu) And milk!
(Shary Bobbins & Apu)
From nineteen-eighty-four!
(Shary Bobbins) If you cut every corner, you'll have more time for play!
(Shary Bobbins & the Simpsons) It's the American way!
