

The Simpsons, We're Happy Just The Way We Are

(Homer)

Around the house, I never lift a finger
As a husband and father, I'm sub-par
I'd rather drink a beer than win father of the year
I'm happy with things the way they are

(Lisa) I'm getting used to never getting noticed

(Bart) I'm stuck here until I can steal a car

(Marge)

The house is still a mess
And I'm going bald from stress!

(Homer, Bart & Lisa) But we're happy just the way we are!

(Flanders) They're not perfect, but the Lord says love thy neighbour

(Homer) - Shut up, Flanders

(Flanders) Okely-dokely-doo

(Shary)

Don't think it's sour grapes
But you're all a bunch of apes
And so I must be leaving you!
