

The Sleeping, Believe What We Tell You

Stories and pages blended in your bookmarks of memories and cover-ups condense us until we build
Gaining back what's lost is gone when columns turn to stone.
Believe what we tell you. Keep flipping pages, build up reactions. Believe what we tell you. Frequen
Headliners flash across our eyes deleting honesty through hidden lines. A barrier of what is truth sl
Exhausting eyes build up reactions. Keep from being told.
