

# The Sleeping, Should Have Let Me Leave

i've got a body that i don't want to be living in  
i've got devils flooding up to the neck  
and i have forgotten how to swim  
all of these people keep calling me up who i don't even know  
i don't even know myself  
it all started when i was a kid  
i kept putting trust in my father and receiving nothing  
relationships lasted no longer than limbs  
still the same, nothing changed  
this just keeps on happening  
should have let me leave  
should have let me leave this mess  
(i can't stop. i can't stop lying)  
can i ever come clean?  
should have let me leave this mess  
none of this was my fault  
none of this was my fault  
still i'm losing sleep
