

The Smashing Pumpkins, Blue

Hey Blue, all your love is strange
Come out, with all those crazy names
So true
When you lie

For you, Blue

Right or wrong
I belong
Right or wrong

Hey Blue, where'd you run to now
Hey Blue, miss you since they found you out
I've been waiting such a long time
For your smile

For you, Blue

I lay with you, this velvet morning
Stay with me, for a while
Where we run to, is up to you
Just stay with me, for a while
