

# The Smashing Pumpkins, Plume

Oh yeah, another day  
Oh yeah, gotta play  
What it is, it never was  
I don't care to give enough

My boredom has outshined the sun, it's so dumb  
I just want to have some little fun...

Oh yeah, another day  
Oh yeah, what a waste  
What it is, it never was  
I don't care or give a fuck

My boredom has outshined the sun, it's so dumb  
I just want to have some little fun...

Bring me down  
Bring me down
