

The Smashing Pumpkins, Rock On

Hey kids, rock and roll
Rock on, ooh my soul
Hey kids, it's no use sleeping
Lost out, summertime blues
Jump up and die in your blue suede shoes
Hey kids, rock and roll
We're gonna rock on

Where do we go from here
Which is the way that's clear

Still looking for that blue jean baby queen
Prettiest girl I've ever seen
See her die on my movie screens every day

Rock on

Hey kids, rock and roll
Rock on, ooh my soul
Hey kids it's no use dreaming
Lost out and full of doubt
Shut up, cracked out
Hey kids, rock and roll
We're gonna rock on

Where do we go from here
Which is the way that's clear
Where do we go from here
Which is the way that's clear

Still lookin' for that blue jean baby queen
Prettiest girl I've never seen
See her die on my movie screen

Rock on

And the cradle will rock
Yes, the cradle, the cradle will rock
I said rock on
Rock on
Everybody wants some
I want some too
Everybody wants some
Hey, how about you
I said rock on
Rock on

Rock on

Hey kids, rock and roll
We're gonna rock on, rock on
To your song
Hey kids, rock and roll
We're gonna rock on
Rock on!
We're gonna rock on, rock on, rock on
