

The Smashing Pumpkins, Sweet Sweet

Sweet, sweet, sweet, sweet little agony
I don't know just where you've been
But I'll take, take, take all that you have for me
In sin, Where are we going?

And they all want you to change X2

And the sad, sad, sad, all the sad faces drown
In this town, where are we going?

And they all want you to change
Where are we going?
And they all want you to change
Where are we going?
