

The Smashing Pumpkins, This Time

This time I need to know
I really must be told
if it's over
It's up to you, you know
The things you really want to hold
are in pieces

Crashing down
Crashing down again
Crashing down
Crashing down my friends

I've got to move it on
I've got to sing my song
while i still can
Dispatch the last alarms
and of the last few shards
They're still surprising

Only love
Only love can win
Crashing down
Crashing down again

This time I need to know
I really must be told
that it's over
I've lived my life alone
My every step fortold
to never linger
And yet it haunts me so
What are we letting go
The spell is broken

Crashing down
Crashing down my friend
Crashing down
Crashing down again

Only love, yeah
Only love will be enough, yeah
Only love will win

Ffor every chemical
You trade a piece of your soul
You know me time
And who you think you know
doesn't know you at all
Portrayed as needless

Someday we'll wave hello
and wish we'd never waved goodbye
to those brown eyes
We'll drink up every line
and shoot up everyone
until it's no more

Crashing down
Crashing down my friends
Only love
Only love can win

So cry these tears
We'll cry is all

We've held so long
to fall apart
As the curtain falls
we bid you all goodnight
