

The Smashing Pumpkins, We Only Come Out At

We only come out at night. [x2]
The days are much too bright.
We only come out at night.

And once again, you'll pretend to know me well, my friends.
And once again, I'll pretend to know the way.
Through the empty space,
Through the secret places of the heart.

We only come out at night. [x2]
The days are much too bright.
We only come out at night.

I walk alone; I walk alone to find my way home.
I'm on my own; I'm on my own to see the ways.
That I can't help the days, you will make it home o.k.
I know you can, and you can.

We only come out at night. [x2]
The days are much too bright.
We only come out at night.

And once again now, you'll pretend to know that,
That there's an end, that there's an end to this begin.
It will help you sleep at night.
It will make it seem that right is always right.
Alright?

We only come out at night. [x2]
The days are much too bright.
We only come out at night.
