

The Smile, I Quit

Tekst piosenki 'I Quit' od The Smile. Premiera w 2024r.

I quit
My head is lit
A piece of me

This is my stop
This is the end of the trip

Conscience
And brotherhood
And brotherhood

Wild ghosts
Wild feelings
Leaning windmills

A dead drop
This is the end of the trip

A new path
Out of the madness

To wherever it goes
To wherever it goes
And wherever it goes
And wherever it goes

And wherever it lies
And wherever it lies
To wherever it goes
And wherever it goes
And wherever it goes
