

The Smiths, This Night Has Opened My Eyes (BBC)

In a river the colour of the lead
Immerse the baby's head
Wrap her up in the News Of The World
Dump her on a doorstep, girl
This night has opened my eyes
And I will never sleep again
You kicked and cried like a bullied child
A grown man of twenty-five
He said he'd cure your ills
But he didn't and he never will
Oh save your life
Because you've only got one
The dream has gone
But the baby is real
Oh you did a good thing
She could have been a poet
Or she could have been a fool
Oh you did a bad thing
And I'm not happy
And I'm not sad

A shoeless child on a swing
Reminds you of your own again
She took away your troubles
Oh but then again
She left pain
Please, save your life
Because you've only got one
The dream has gone
But the baby is real
Oh you did a good thing
She could have been a poet
Or she could have been a fool
Oh you did a bad thing
And I'm not happy
And I'm not sad

And I'm not happy
And I'm not sad
