

The Smiths, What She Said

What she said:

"How come someone hasn't noticed that I'm dead
And decided to bury me?
God knows I'm ready.."
What she said was sad
But then all the rejections she's had
To pretend to be happy
Could only be idiocy
What she said was not for the job or lover
That she never had

What she read

All heady books
She'd sit and prophesise
(It took a tattooed boy from Birkenhead
to really really open her eyes)

to really really open her eyes)

What she said:

"I smoke 'cause I'm hoping for an early death
And I need to cling to something!"
