

The Snakes, What Love Can Do

Out in the darkness where the lonely walk alone
No hands to the rescue, got ta make it on my own
Used to wake in the morning when the sun was coming round
Now I learn my lesson since you change my life around
I've been wasting to much time
I'm making up my mind
I can't live like this for the rest of my days
Cause I have seen what love can do
To me and to you...
Your love has changed me, I know it's hard to tell
Ain't gonna put my face in a wishing well
Now I need an answer, all I get is no reply
Girl I ain't no chancer, it's a love we can't deny
Lonely days and wasted nights
I been running away from live
Baby I just can't explain cause I have seen
What love can do to me and to you...
If I'm gonna change your mind
Give me the chance and I will show you
I'm truly sorry
How can I make you see just what you mean to me
I just hope that I can change your mind
(Solo)
Sometimes I wonder just what I'm gonna do
I've been wasting to much time
I'm making up my mind
I can't live like this for the rest of my days
Cause I have seen what love can do
To me and to you.....what love can do.....
