

The Spencer Davis Group, Searchin'

Well, I've been search'
Oh lord, I've been searchin'
I've been searchin' every which away yeah yeah
Just like a northwest mountie
I'm gonna get her back again

You know that if I have to swim a river, you know I will
If I have to climb a mountain, you know I will
And if I have to up and up on a blueberry hill
You know I'm gonna find that girl, you know, you know I will

'cause I've been searching
Searching
I've been searchin' every which away yeah yeah
Just like a northwest mountie

I'm gonna get her back again

If I have to swim a river, you know I will
And if I have to climb a mountain, you know I will
And if they walk in town (in time?), she's gonna hear me comin'
I'm gonna walk right down that street just like a bulldog runnin'

Cause I've been searchin'
Oh, searchin'
I've been searchin' every which away yeah yeah
Just like a northwest mountie
I'm gonna get her back again

You know I been searchin'
