

The Spinto Band, So Kind, Stacy

All disputes aside
Refutes still decide
I have yet to try it
Taking it in stride
(All so nervously while trying to stress)
Acts I've earned with lies
(We'd never bleed to impress)
When you see right through me
You never refute me
Stacey (x3)

Points for sparing me
(the embarrassment of drunken conduct)
Oh to a degree
(I've an alibi that I can construct)
I have never given

up-root-up-shoot-driven-up-the-wrong-tree
minute-pursuit-given-it's-the-wrong-week
how-could-you-be-altering-the-marquee
when-we-agreed-no-more-disorderly

Actions on this worthy faction's fraternity
Stacey (x4)
(So kind so kind so kind...)

into-it's true-given-it's-the-wrong-week
i-knew-you'd-grew-driven-up-the-right-tree
this-spring's-new-thing's-waking-up-with-nose-bleeds
our-flings-box-springs-never-meant-to-mislead

When you see right through me
You never refute me
(So kind so kind so kind...)
