

The Stanley Brothers, Are You Afraid To Die

Are you a stranger to God
Carried away with your pride
Tell me sinner did you ever stop to think
Are you afraid to die

Are you afraid
Are you unsaved
Are you afraid to die

Call on him while he's near
Moments are swift passing by
Will you seek him where he may be found
Are you afraid to die

Are you too wicked to cry
Would you to God's bosom fly
Soon he's coming like a thief in the night
Are you afraid to die
