The Stanley Brothers, Are You Afraid To Die

Are you a stranger to God Carried away with your pride Tell me sinner did you ever step to think Are you afraid to die

Are you afraid Are you unsaved Are you afraid to die

Call on him while he's near Moments are swift passing by Will you seek him where he may be found Are you afraid to die

Are you too wicked to cry Would you to God's bosom fly Soon he's coming like a thief in the night Are you afraid to die
