

# The Stanley Brothers, I Only Exist

No I'm not living I only exist  
How much longer can I go on like this  
You broke my heart and tortured my mind  
I've lost you darling you're long gone this time

My home is broken you wrecked my young life  
You left me here alone to cry  
These tears that are flowing will soon dry away  
And some day darling I know you will pay

I knew you were no good right from the start  
My friends all told me you'd break my heart  
When your roaming and rambling days are through  
You'll pray for a love like I had for you
