

# The Stanley Brothers, It's Never Too Late

Now darling I've loved I've never done wrong  
I've been fair to you you know all along  
Why treat me this way you're breaking my heart  
I'm lonesome for you we're so far apart

It's never too late to start over new  
I've loved you so long you know I've been true  
Please come back to me my heart is so blue  
It's never too late to start over new

Now when you are tired your new love's gone down  
I hope you'll return I'll still be around  
I love you so well you know I will wait  
But remember these words it's never too late
