The Stanley Brothers, The Angels Are Singing

Sweetheart I recall the day I first met you I wonder if you remember the same We talked of the love we shared for each other And longed for the day we'd change your sweet name

I can still hear your voice in the evening I see your sweet face your blue eyes so bright God took you away and left me so lonely The angels are singing in heaven tonight

As the years passed away we cherished each other No worries or cares to darken our day From our little home up in the Clinch Mountains The saviour came down and called you one day

I'll always be true and love you my darling But I know you are happy and healthy up there When God calls me home I'll meet you in heaven Please wait for me darling I'll meet you up there
