

The Starting Line, A Million Hearts

Its insane, I don't know why i came.
I guess just to see you here, but from far away.
All the seniors tell me that i should move on, this is crazy

No date, for the prom,you sit
As we both finally meet, then the smile fades,
And I see in your eyes that its all no fun.
As you turn back to him as the perfect song comes on...

I'm still in love,
But im one of a million hearts, you'll some day break
Close my eyes, but still I won't give up
still I won't give up, nooooo

I'll wait in this dance floor haze, and
Suffer the silly suit, just for one more gaze
And I'm sneakin' around like a fool, so dumb
On a Saturday night man is this what I've become.

I'm still in love,
But I'm one of a million hearts, you'll some day break
Close my eyes, but still I won't give up
still I won't give up, nooooo

And I know that I still don't beleive, it's true
But I can't let you go and I don't know what to do

Im still in love,
But I'm one of a million hearts, you'll some day break
Close my eyes, but still I won't give up
still I won't give up, nooooo
