

The Starting Line, Best Of Me

Tell me what you thought about when you were gone and so alone
The worst is over
You can have the best of me
We got older but we're still young
We never grew out of this feeling that we won't give up

Here we lay again
On two separate beds
Riding phone lines
To hear that familiar voice and
Pictures drawn from memory
We reflect on
Miscommunications and misunderstandings
And missing each other too much to have had to let go
Turn our music down
And we whisper
Say what you're thinking right now...

CHORUS

Jumping to conclusions
Made me fall away from you
I'm so glad that the truth,
Has brought back together
Me and you
We're sitting on the ground,
And we whisper
Say what you're thinking out loud...

CHORUS

Turn our music down
And we whisper
We're sitting on the ground
And we whisper
We turn our music down
We're sitting on the ground
The next time I'm in town
We will kiss, girl
We will kiss, girl

Tell me what you thought about when you were gone and so alone
The worst is over
You can have the best of me
We got older but we're still young
We never grew out of this feeling that we won't
Feeling that we can't
We're not ready to give up
We got older but we're still young
We never grew out of this feeling that we won't give up
