

# The Starting Line, Left Coast Envy

Today could be a different day  
If the sky lifts up the haze  
Off of my front lawn  
Or just another time I hold my tears  
For another year  
On my way back home

Can I sell this sunrise?  
In return for a sunset... yah...  
Can I just be here one more day  
Until my sunburn fades away

I've asked 100 times whats going on  
But it went in one ear and out the other one  
Oh can I take a palm tree home with me?  
For the memory of here when I'm at home  
And i've been looking forward, not back  
Vacation's everything we need

Can I sell this sunrise?  
In return for a sunset...yah...  
Can I just be here one more day  
Until my sunburn fades away

Im taking pictures of everything  
To remind me of a place thats so perfect for me  
Im taking pictures of everything  
So go ahead and take this place away from me

Today could be another day  
When the sky lifts up the haze  
Off of my front lawn  
Just another time I hold my tears  
For another year  
On my way back home

Can I sell this sunrise?  
In return for a sunset...yah...  
Can I just be here one more day  
Until my sunburn fades away

(repete x2)  
Until my sunburn fades away
