

The Starting Line, Up & Go

Here it goes and this won't take long
just let me dedicate a song
To a girl who'd turn this boy to stone

And you know who you are
Here's a hint
She doesn't have a car
Or the time to be in love with me

Why did you say
This feeling has to stay
Left me to wait for so long

You don't have to stay
But I hope you'll do it anyway
All you did was up and go

Excuse me but this won't take long
I'm sorry for writing you this song
But just what do you think you deserve

Because when you had the chance for romance
You burned it at both ends
I guess I'm not sorry at the least

What made you say
This feeling has to stay
Picking yourself for so long

You don't have to stay
But I hope you'll do it anyway
All you did was up and go

You don't have to go
What makes you stay we'll never know
All you did was up and go
up and go
up and go
What would make you stay
up and go
What would make you stay
I guess we'll never know
I guess we'll never know
I guess we'll never know

You don't have to stay
But I hope you'll do it anyway
All you did was up and go

You don't have to go
What makes you stay we'll never know
All you did was up and go
up and go
up and go
What would make you stay
up and go
What would make you stay
I guess we'll never know
I guess we'll never know
I guess we'll never know

You didn't have to stay...so you didn't
Up then went away
All you did was up and go

Up and go
Up and go
I guess we'll never know
I guess we'll never know
I guess we'll never know
