

# The Stone Roses, Love Spreads

Love spreads her arms, waits there for the nails  
I forgive you boy, I will prevail  
Too much time to take, some cross to bear  
I'm hiding in the trees with a picnic, she's over there  
Yeah Yeah Yeah Yeah Yeah Yeah

She didn't scream, she didn't make a sound  
I forgive you boy, but don't leave town  
Cold black skin, naked in the rain  
Hammer flash in the lightning  
They're hurting her again

Chorus: Let me put you in the picture  
Let me show you what I mean  
The messiah is my sister  
Ain't no king man she's my queen \* 2

I have a dream, I've seen the light  
Don't put it out, say she's alright  
Yeah she's my sister

She didn't scream, she didn't make a sound  
I forgive you boy, but don't leave town  
Cold black skin, naked in the rain  
Hammer flash in the lightning  
They're hurting her again  
Oh Oh

repeat the chorus seven times

I have a dream, I've seen the light  
Don't put it out, says she's alright  
Yeah she's my sister!
