

The Stone Roses, Tell Me

You can't tell me
You can't tell me
You can't tell me anything
I love only me
I love only me
I've got the answer to everything
There's only me
to suggest what I do
I am the garage flower
I don't need to stare
'Cos I know everywhere
Well there's a place for me anywhere

Tell me tell me
You tell me anything
You can't tell
You won't tell
Me anything
Anything

I love only me
I love only me
I've got the answers to everything
I don't need to stare
'Cos I know everywhere
Well there's a place for me anywhere

Tell me tell me
You tell me anything
Tell me tell me
You can't tell us anything
You can't tell
You won't tell
Me anything
Anything
You can't

I am the garage flower
I am the garage flower
