

The Stone Roses, The Hardest Thing In The World

The hardest thing in the world
Holland phase it don't please
I never wanted to leave
Searching for a perfect day
It never happens that way - a hey hey hey

I'm sick and tired and so obscene
Will heaven help me be clean?
Searching for a perfect day
It never happens that way - a hey hey hey

Cut away, I know your world wants you around

You never heard a word I said
It seems simple to me
That if you knew you wouldn't say
It never happens that way - a hey hey hey

And the impression I get
As the story unfurls
Is that you're the hardest thing in the world

Cut away, I know your world wants you around

What you feel it might not be
It seems suffer to me
I cannot climb to touch your spire
I'm getting higher and higher

Cut away, I know your world wants you around

The hardest thing in the world
